

## UC 1RU Patch Panel 9510, Fixed Type, Empty

- Light weight
- Sleek design & feeling
- Powder coating (water mark)
- Easy fix up to 4 adaptor panels or 4 module cassettes
- Abrasion resistance
- Highly durable
- Up to 96 fibres
- Optional with cable management

(Only for reference)

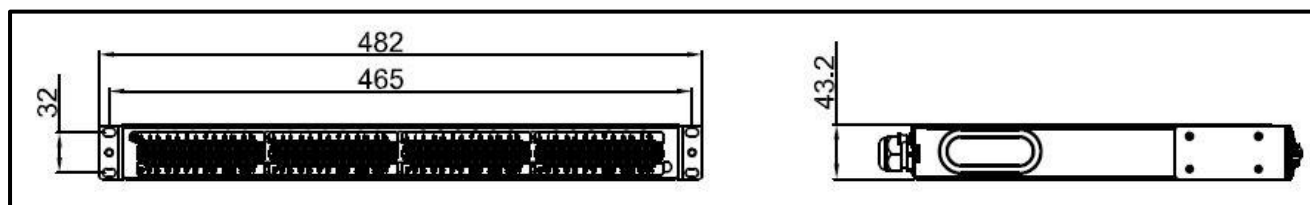

### Application

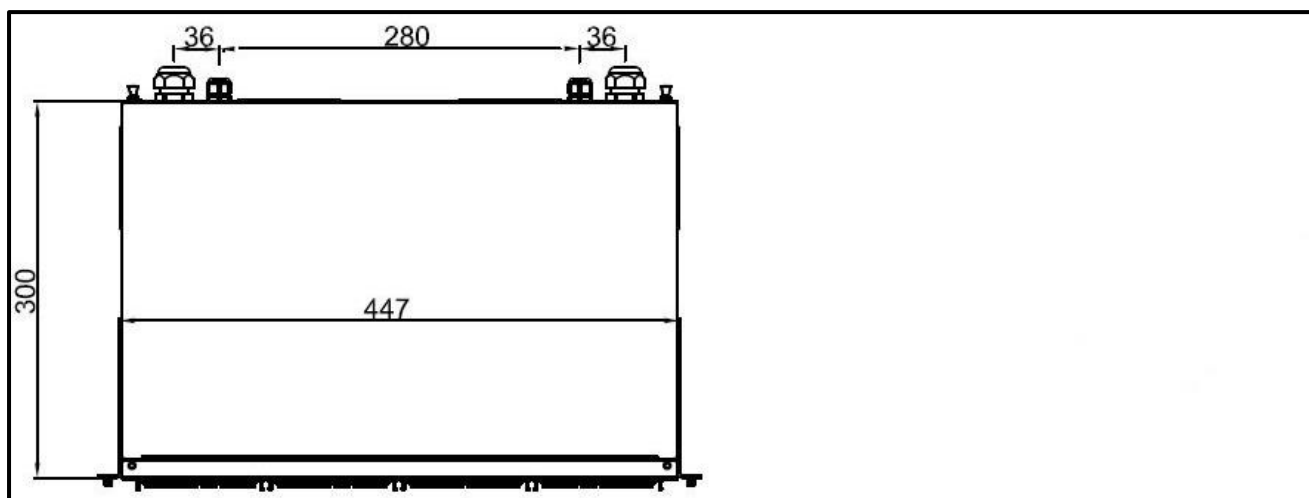

This patch panel are used to house and organize the trunk fiber optic cable, compatible with MPO-LC cassettes, fiber adaptor panels and patch cords. Easy access from front and rear, Panels has 4 slots, which can install 4 adaptor panels and 4 module cassettes, including LC, SC ST, FC adaptor. It is ideal for fast and reliable patch solutions within main, horizontal and equipment distribution areas.

### General Specifications

## UC 4RU Patch Panel 9540, Drawer Type, Empty

(Only for reference)

- Light weight
- Sleek design & feel
- Powder coating (water mark)
- Drawer for easy installation and maintenance
- Abrasion resistance
- Highly durable
- Easy fix-up to 12 module cassettes
- Easy fix-up to 12 adaptor panels
- Up to 288 fibres (MPO configuration and LC Quad)

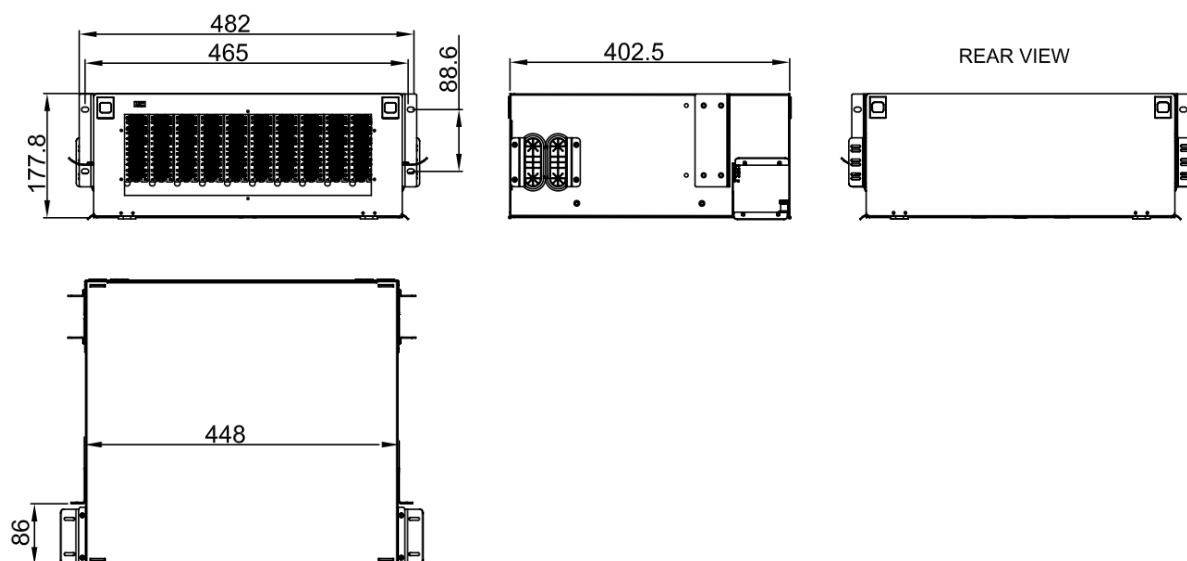

### Application

This patch panel are used to house and organize the trunk fiber optic cable, compatible with MPO-LC cassettes, fiber adaptor panels and patch cords. Easy access from front and rear, Panels has 12 slots, which can install 12 adaptor panels and 12 module cassettes, including LC, SC ST, FC adaptor. It is ideal for fast and reliable patch solutions within main, horizontal and equipment distribution areas.

### General Specifications

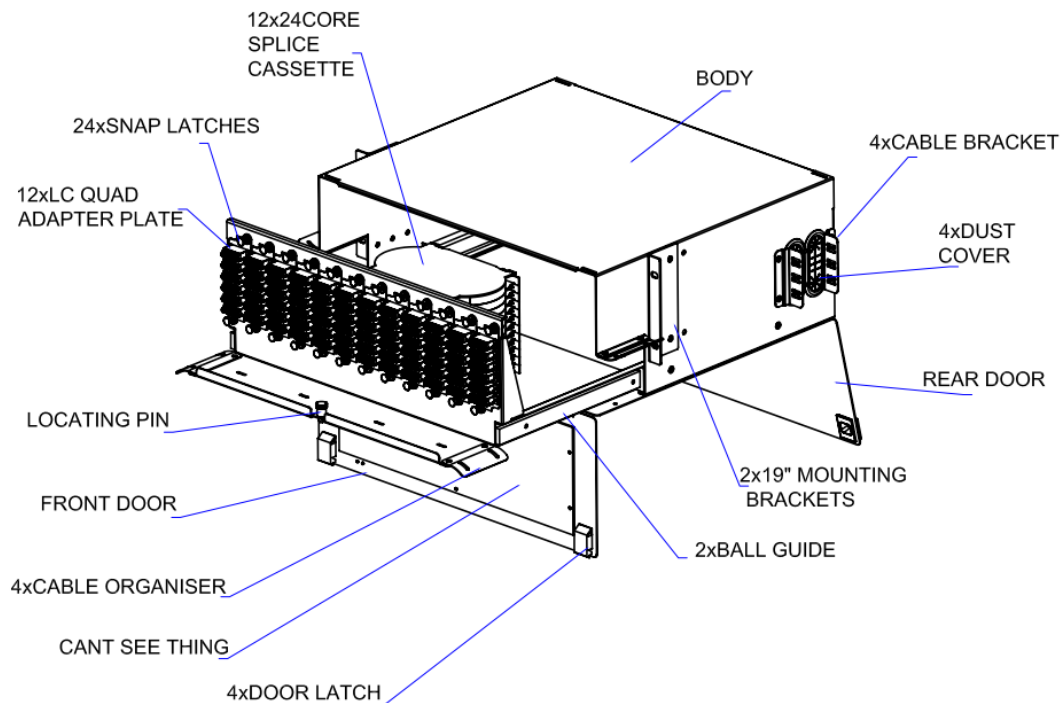

| Item              | Description                       |
|-------------------|-----------------------------------|
| Material          | SPCC (Cold rolled steel plate)    |
| Matrix            | Thickness = 1.2 mm                |
| Cover             | Thickness = 1.2 mm                |
| Dimension         | H x W x D = 4RU x 482 mm x 452 mm |
| Weight            | Approximate 6 kg (empty)          |
| Surface Finishing | Powder coating                    |
